THANK YOU NOTES

Dear Church Family,

I want to thank you for the phone calls, get-well cards, visits, food and prayers after my surgery. The phone calls cheered me up; the get-well cards encouraged me. The visits and food reminded me what a "loving and compassionate" church you are. And the prayers got me through. Thank you for remembering me during this time.

Yours In Christ,

Laura Addis

Dear Youth Groups,

Thank you so very much for your visit. I really enjoyed it. The food was delicious and I didn't have to cook for two meals! The plant you brought is very pretty and is doing well. By the way, the artistic touches on the plant holder are beautiful as well as thoughtful.

Please remember me in your prayers and plan to come to see me again. You are a nice group of kids (oops!)...young people rather! At my age you really are "kids" and believe it or not, I can still remember being your age!

Thank you again! Love and God bless .

Ruth Chastain

Dear College Street Friends,

Thank you all for your prayers, letters and for the flower that you gave me. We feel very blessed knowing we have had so many people praying for us. We hope to come home soon so that you all can meet our new addition. Riley Anne has truly been a joy and a blessing.

Thanks again for thinking of us during this special time.

Sandie (Reid) & David Walker
