## **THANK YOU NOTES**

Dear College Street Baptist Church,

Thank you so much for your many acts of kindness and sympathy to our family. We are so grateful for our church family and the love shown to us through your cards, visits, phone calls, memorials made in our mother's memory. A special thank you to the Bereavement Meals group for the delicious meal enjoyed by our family. We appreciate your thoughtfulness during this special time in our lives.

God bless each of you.

Dear College Street Church Family,

“Thank you for your kindness and sympathy at a time when it is greatly appreciated. We are forever grateful.”

Thank you for the meal and for the many prayers you have lifted up for me. Joey was such a good husband for me and I loved him so much. He was suffering severely and I know he is in his Master's arms now.

Thank you so much too for the donation in his memory. He had a big heart for older folks, military history and just helping anyone out who needed it. Love to each of you.

Dear College Street Baptist Church,

“Thank you for your thoughts, prayers and kindness during this difficult time.”

Thank you so much for the memorial gift that was given in honor of our mother and sister, Mary Lou O. Price to Westminster First Baptist Church. Mom would have been very pleased. May God's blessings be with each of you.

# Student Ministries

Hello CSBC!

What a crazy and busy summer it has been! It feels like we have gone from one thing to another to another! Our kids had an incredible week at KidSalt camp! I cannot even put into words how excited they were to be there and how thankful they were that they were to be there, especially since our intended week of July 15<sup>th</sup> was rescheduled to the next week. There is something very special about camp week. Our kids got back together for the first time on August 11 since camp and the first thing our camp kids did when they saw each other was hug each other and sing their camp cheers. It was such a special moment. Thank you, College Street, for supporting them through your gifts, encouragement, and prayers. I've taken kids to camp since 2017 and there was something very special about this week. It was very restorative to me. God has given so much back to us this year. It was so incredible to have Bible School again this year and be able to take our children and our youth to camp again.

Our Fall activities are in the process of resuming. Bible Quest has resumed for age 3-5<sup>th</sup> grade as well as our Wednesday night youth activities. MARK Club is resuming on September 12 with the theme: "Destination Dig". Our children and youth will be "traveling" to modern day Israel to learn about artifacts of Bible history that show how God's word is truth. We are looking forward to our new year!

I am so thankful that our youth have a new leader, Dustin Vaughn. He is already beginning to build relationships with our students. It has been a prayer of mine for a long time that our students would have someone that could intentionally be a part of their lives and encourage them. Continue to pray for our youth that they will have an awesome school year. We have several students starting middle school and high school for the first time this year. They'll need our encouragement and prayers.

We are hoping to resume Good News Club as soon as possible at Walhalla Elementary. As of the writing of this article (August 17), it was a district decision to suspend visitors into the school, including after school clubs for at least the first nine weeks of this school year. While this is a disappointment, it will be an even greater joy on the day that we are able to return to the school again! We have just enough volunteers available to get started in Good News Club, but we need just a few more! If you would like to get involved, and are available on Tuesdays from 2-4:15 PM, we would LOVE to have you! We are hoping to resume in January if the district will allow us to do so. Please contact me if you are interested in getting involved so you can get a background check!

Great things are coming and happening CSBC! I'm excited about what is happening now, and I am looking forward to what is happening next!
